

Cyberspace lyrics for Air Force song

4/6/2007 — **BARKSDALE AIR FORCE BASE, LOUISIANA (AFNEWS)** — Members of the Mighty Eighth Air Force are authorized to sing alternate "cyberspace" lyrics to the tune of the official Air Force song:

**Logging into the wild blue yonder
INFOCON is up to 4
Here they come hacking into our networks,
CSAs, give 'er the gun
(give 'er the gun now!)
Down we load updates for antivirus software
Surfing with one helluva roar!
We type in fame or down load in flame, hey!
Nothing'll stop the U.S. Air Force!**
